

PROGRAM AT A GLANCE

Sunday, Sept. 4

	Main Hall	Small Hall	Room A	
14:00-	Registration			14:00-
16:45-17:00	Opening Address			16:45-17:00
17:00-18:00	Keynote Lecture			17:00-18:00
18:00-20:00	Reception & Dinner			18:00-20:00

Monday, Sept. 5

	Main Hall	Small Hall	Room A	
9:00-10:30	Plenary Session 1 <i>Enzymes in the production of useful chemicals</i>		Poster Set Up	9:00-10:30
11:00-11:30	Plenary Session 2 <i>Novel technologies using enzymes and cofactors</i>			11:00-11:30
12:00-12:50	Luncheon Seminar 1 <i>Sponsored by Amano Enzyme Inc.</i>			12:00-12:50
13:00-15:00	ERATO Asano Active Enzyme Molecule Project Progress Report			13:00-15:00
15:20-17:20	Plenary Session 3 <i>Medical, pharmaceutical and nutritional applications of cofactors and enzymes</i>			15:20-17:20
17:30-19:00			Poster Session 1	17:30-19:00

Tuesday, Sept. 6

	Main Hall	Small Hall	Room A	
9:00-10:30	Plenary Session 4 <i>Structure, function and catalytic mechanisms of enzymes and cofactors</i>			9:00-10:30
11:00-12:00	Plenary Session 5 <i>Molecular biology and biosynthetic aspects of cofactors</i>			11:00-12:00
13:00-18:30	Excursion			13:00-18:30
19:00-21:00	Banquet @ Hotel Aqua Kurobe			19:00-21:00

Wednesday, Sept. 7

	Main Hall	Small Hall	Room A	
9:00-11:40	Oral Session OA 01-08	Oral Session OB 01-08		9:00-11:40
12:00-12:50	Luncheon Seminar 2 <i>Sponsored by Coenzyme Q Association</i>			12:00-12:50
13:00-15:40	Oral Session OA 09-16	Oral Session OB 09-16		13:00-15:40
16:00-17:30	Plenary Session 6 <i>Exploration of enzymatic activities by screening and protein engineering</i>			16:00-17:30
17:40-19:10			Poster Session 2	17:40-19:10

Thursday, Sept. 8

	Main Hall	Small Hall	Room A	
9:00-11:40	Oral Session OA 17-24	Oral Session OB 17-24		9:00-11:40
11:45-12:00	Closing Ceremony			11:45-12:00
